# **FOCUS ON THE FUTURE**

May 1-4, 2023

## **ABOUT THE CONFERENCE**

**Dear Friends and Colleagues:** 

**Focus on the Future** is the largest and longest-standing conference on problem gambling awareness in the Pacific Northwest. Launched in 2007, **Focus on the Future** brings together an incredible combination of compelling speakers — experts from across the country — and opportunities to network and learn from colleagues in the field. It is a place where you can exchange ideas, experiences, and knowledge to become a collective voice in raising awareness and developing programs and services that have the greatest positive impact.

**Focus on the Future** 2023 will provide valuable insights on the tools and resources available for effective treatment, prevention, cultural issues, community engagement, and recovery services. Plus, all attendees will have a prime opportunity to collaborate with and learn from some of the best in the field. You'll no doubt leave with some new connections and partnerships that may lead to enhanced and innovative approaches toward assisting those who are affected by problem gambling and co-occurring disorders.

Thank you, to all of you who make such an important difference for those in our region who need support and services. We have much to look forward to as we **Focus on the Future** and all we can accomplish working together.

## Sincerely,

**Ty Lostutter**Board President
