

## Pastor's Appeal to the Louisiana Legislature: RESTORE FAIRNESS IN WOMEN'S SPORTS!

We, the undersigned pastors from Louisiana's many faith communities, call upon our state legislators to vote in favor of an override and reverse Governor John Bel Edwards' veto of SB156, the Fairness in Women's Sports Act. We stand firmly in defense of Louisiana women to compete on the sports field without the possibility of being displaced by biological males on teams, on the winner's podium, or for athletic scholarships. These hard-won opportunities for women and girls' personal growth, as well as leadership development, are critical when competing for positions of responsibility in business, government, military, and so many other career fields. This issue is far too important to our families, our daughters, and granddaughters for the legislature to do anything less.

## Pastor's Appeal to the Louisiana Legislature: RESTORE FAIRNESS IN WOMEN'S SPORTS!

We, the undersigned pastors from Louisiana's many faith communities, call upon our state legislators to vote in favor of an override and reverse Governor John Bel Edwards' veto of SB156, the Fairness in Women's Sports Act. We stand firmly in defense of Louisiana women to compete on the sports field without the possibility of being displaced by biological males on teams, on the winner's podium, or for athletic scholarships. These hard-won opportunities for women and girls' personal growth, as well as leadership development, are critical when competing for positions of responsibility in business, government, military, and so many other career fields. This issue is far too important to our families, our daughters, and granddaughters for the legislature to do anything less.
