

THE SELFLESS HEART OF ONE BIG

She's got one of the biggest hearts out there and it just keeps growing! Ashley Wentz, the new owner of The Hair Force, has been a Big Sister for almost three years now. She strongly believes in the efficacy of Big Brothers Big Sisters of the Black Hills and says, "I'm a Big Sister because I love to help and I feel like I can help change a little life by just being there for them."

Giving back to her community is something Ashley is passionate about. Ashley can usually be found collecting coats, clothes, and other necessities for people who are in need. She holds fundraising events for cancer patients and families who have experienced tragedy. Last year, she started an annual pajama, sock, and underwear drive so people in our community didn't have to worry about those necessities, which are often taken for granted. She is active in charity fundraising activities for a motorcycle club here in the Black Hills. Also, she and her team participate in Big Brothers Big Sisters' largest fundraiser of the year, Bowl For Kids' Sake. She knows the importance of having necessary resources and doesn't hesitate to jump in and help where she can.

To further her involvement with Big Brothers Big Sisters of the Black Hills, Ashley has decided The Hair Force will be a proud sponsor of Bowl For Kids' Sake 2019 and will now offer free haircuts to each new match!
