

PROJECT PLAYHOUSE Cape May County

May 5th & 6th | 9:00am | Habitat ReStore

What started out as a spark of imagination, the Playhouse Project, has grown into a flourishing fundraiser for Habitats all around the country.

This May Habitat Cape May's women volunteers will come together to launch our 1st Annual Project Playhouse build. An event that will bring volunteers together for a fun, creative and rewarding experience. Each team will have the inspiring opportunity to see something beautiful and meaningful come together out of a few pieces of wood, knowing that it will bring light into the life of a child in the community, with proceeds benefiting families of Cape May County in need of affordable housing.

We are asking if you would be willing to sponsor a playhouse. The result will be nothing short of magical.

To cover the cost of materials, we are asking our local businesses to sponsor a playhouse. The \$1,000 will provide an imaginary world where kids create make-believe stories that foster their development, leadership, and creativity. Once the playhouses are auctioned in the ReStore, the funds will go directly towards our next home. Your logo will be included on the playhouse and all of the marketing materials. We hope you consider partnering with Habitat as we launch this unique and exciting project.

Yours in partnership,

Sarah Matthews
Executive Director
