

The logo is a stylized, light blue silhouette of a mountain range or a series of peaks, positioned to the left of the text.

Great Peninsula Conservancy

Spring Dinner 2019

Who we are

Great Peninsula Conservancy's mission is to conserve vibrant forests, streams, shorelines and community greenspaces to help wildlife and people thrive. We commit to caring for the lands we protect to ensure wildlife and people enjoy the many benefits of nature well into the future.

We enrich lives by offering opportunities for people to experience nature close up. To date we have preserved over 10,000 acres of evergreen forests, salmon streams, marine shorelines and community parks.

Our Reach

Projected attendance is 350 people from Kitsap, Pierce, and Mason Counties. Attendees include political leaders, business executives, conservationists and outdoor enthusiasts.

This event is marketed via direct mail to our mailing list of over 2,000 people, highlighted on our website, and publicized through social media channels and our network of local and regional partners.
