

# THE CONCERT ACROSS AMERICA™ TO END GUN VIOLENCE

In its fourth year, The Concert Across America will take place in venues across the country from September 20<sup>th</sup> to September 30<sup>th</sup>, originally scheduled in 2016 to coincide with the Congressionally designated day of remembrance for murder victims (September 25<sup>th</sup>)

This nationwide musical experience, spearheaded by *Stop Handgun Violence* in Boston, brings together a network of organizations, activists, and artists to take a united stand against gun violence.

There has been enough senseless violence-enough unnecessary deaths from gun violence! This FREE concert is getting people across the nation in their local communities to band together and mobilize with music and be heard in one unified voice against gun violence.

Local musicians are donating their time and talent to help bring us together and make our voices heard!
